### Important Notes

- Cutoff dates assume packages are tendered at the carrier's acceptance location on time.
- Weather or operational delays can impact delivery.
- Money-back guarantees are often suspended or modified during peak season.
- Always verify ZIP-to-ZIP commitments for Ground services.
- USPS reseller/consolidator partners (like Stamps.com, Pitney Bowes, etc.) generally follow the same cutoff dates.

**Plan ahead to keep your customers happy this holiday season!**
